ARTICLE III

MEMBERSHIP

Section 1: Eligibility

Except as otherwise provided in this section, any Owner, Trainer, or Owner-Trainer of a thoroughbred racehorse who is currently licensed as such by the Massachusetts or New Hampshire racing commission and who starts a thoroughbred racehorse in a qualifying race within the jurisdiction of this Association, shall be eligible for membership in the Association. Any partnership, corporation or other association that is so licensed and that starts a thoroughbred racehorse in a qualifying race within the jurisdiction of this Association shall likewise be eligible for membership.

Notwithstanding the foregoing, any member who, directly or indirectly, has an ownership interest of not less than the minimum percentage required for licensing of a person or entity by the Racing Commission or other authority having jurisdiction over race meetings at which members of the Association participate, shall be entitled to cast one vote in the Association’s elections.

Section 2: Membership

Any person or entity eligible for membership in the Association shall become a member at such time as such person, or the entity through which eligibility for membership is established, shall start a thoroughbred racehorse in a qualifying race (which is a race on which pari-mutual wagering is authorized within the jurisdiction of this Association), unless the Association is notified in writing that such a person or entity does not desire to be a member.

Section 3: Honorary Membership

Any person who has performed distinguished service to the sport of thoroughbred racing and who is not already a member of the Association may be elected as an honorary member of the Association. Such election shall take place at a Board meeting. An honorary member shall not be required to pay dues or make contributions to the Association and shall not be entitled to vote or hold office in the Association.

Section 4: Duties of Membership

(A) It shall be the duty of every member of the Association to conduct himself at all times in such manner as to merit the respect of the public and to act at all times in the best interests of the New England Horsemens’s Benevolent & Protective Association, Inc.

(B) Every member of the Association, by accepting the benefits of membership, agrees to abide by the Constitution and Bylaws of the Association, any order or decision of the Board of Directors, and to accept as final the decision of the Board of Directors after a
hearing and agrees to hold the Association, its Officers, Directors and employees harmless for any action taken or not taken.

(C) Contributions. Where not otherwise specified by law, contract, or other arrangement, each member shall contribute to the Association not less than two percent (2%) of any purse. Where a contract, law, or other arrangement exists between the Association and a racetrack for a different deduction, all horsemen racing at that racetrack shall be subject to such deduction from any purse, in lieu of the hereinbefore prescribed deduction.

Unpaid contributions remain the obligation of the member, irrespective of a change in the jurisdiction in which he may be racing. The Secretary upon verification by the Treasurer and approval of the Board of Directors shall notify each member leaving the jurisdiction of the Association with any unpaid balance by letter to said member stating that he is in default in the payment of his contributions, giving the amount thereof, and warning said member that his failure to pay same will be deemed a resignation from the Association, that he is subject to suspension or expulsion for failure to make said payment and that he will no longer be entitled to the privileges and benefits of the Association and the National Association. In the absence of a favorable reply, the name of the defaulting member shall be added to the non-member list of the Association.

Section 5: Tenure of Membership

(A) Tenure. A member of the Association shall remain as such until any of the following occurs:

1) He/She or the entity through which membership is established ceases to be a licensed owner, trainer, or owner-trainer of a thoroughbred racehorse.
2) The close of the calendar year following the last calendar year during which he, or such entity, started a thoroughbred racehorse in a qualifying race within the jurisdiction of this Association.
3) He/She becomes (unless the consent of two-thirds (2/3rds) of the elected members of the Board of Directors has first been obtained) a member of any other rival organization that represents the owners’ and trainers’ interests and property rights in negotiating agreements with racing associations covering purses, pony lead fees, television rights, simulcasting, off-track betting or interest on owner’s deposits in horsemen’s bookkeeper accounts.
4) He/She resigns, is suspended, or is expelled by the Association as provided herein.

(B) Resignation. A member may resign from the Association by any of the following acts:

1) His written resignation.
2) His failure or refusal to allow contributions to be deducted from purses either by direction to that effect or by knowingly accepting a check from the horsemen’s bookkeeper from which no such deduction for Association dues has been made; and not having corrected the deficiency promptly upon demand.

(C) Suspension or Expulsion. A member of this Association may be suspended or expelled from membership by a two-thirds (2/3rds) vote of the elected members of the Board of Directors, following a hearing for violation of any provision of the Constitution and
Bylaws, or for illegal, unethical, or un-sportsman-like conduct, or for failure to remain in good standing in accordance with the rules of racing adopted by the state or states where this Association’s membership exists. A member shall be given reasonable notice of the hearing and shall have the right to be heard in person or by counsel and to introduce evidence on his behalf.

While a member is suspended, no benefits of membership will be provided to that member, nor shall he enjoy the rights and privileges of membership.

Any Director or Officer may be suspended or removed from office by two-thirds (2/3rds) vote of the elected members of the Board of Directors, following a hearing, for violation of any provision of the Constitution and Bylaws, or for any other cause or reason deemed detrimental to the best interests of the Association. The Officer or Director shall be given reasonable notice of the hearing and shall have the right to be heard in person or by counsel and to introduce evidence on his behalf.

(D) Suspension for Debt. A member of this Association shall be immediately suspended from membership in the Association, without vote by the Board of Directors, for incurring a debt to the Association or any of the Association’s affiliated accounts that remain unpaid for a period of sixty (60) days beyond the date the debt was first incurred. Such suspension of membership shall terminate the member’s eligibility to participate in any benefits or programs offered by the Association.

Said member shall be reinstated to active membership status immediately upon full payment of all outstanding debt to the Association and any of the Association’s affiliated accounts. Upon reinstatement to active membership status, the member’s eligibility to participate in any of the Association’s benefits or programs shall be restored as if there were no interruption in the member’s eligibility.

Section 6: Temporary Membership Extension

Due to extreme limitations placed on the number of live Thoroughbred races run in Massachusetts during the 2015, 2017, 2017 and 2018 racing seasons, all licensed owners, trainers or owner/trainers who were NEHBPA members in good standing during the 2014 racing seasons and who have not had their membership terminated or suspended during said years shall be designated as members through December 31, 2019, regardless of license renewal status; provided that they remain in good standing and do not have their membership terminated or suspended prior to December 31, 2019.

ARTICLE IV

ELECTIONS AND VOTING

Section 1: Supervision and Nominations
All Association elections shall be under the supervision of the Board of Directors. An Election Committee of three (3) members shall be appointed by the Association’s Board of Directors no less than twenty one (21) days before the first nominating meeting. The three members appointed to the Election Committee shall be neither members of the Board nor candidates for any offices. The Election Committee shall be responsible for seeing that the election is run in accordance with the Constitution and Bylaws and shall attend the opening and counting of ballots.

The Election Committee shall hold a nominating meeting to receive nominations from the floor, to receive nominating petitions, and to announce all nominations. All nominees must be members of the Association. When more than one nominating meeting is held, the date of the last nominating meeting shall be deemed the date for each candidate’s nomination. The Election Committee shall not accept any nomination after adjournment of the last nominating meeting.

There shall be at least one general nominating meeting at a track considered to be a major track within the jurisdiction of the Association. There must be at least thirty (30) members of the Association present at said meeting to constitute a quorum. Members present at the meeting shall sign a register evidencing their presence. A nomination from the floor shall be accepted if it receives the endorsement of not less than three (3) members present at the meeting, which shall include the nominator and two (2) seconds or by a petition signed by no fewer than five (5) members of the Association, if the nominee is not present at the meeting.

Written notice of the nominating meeting must be given to the membership of the Association by first class U.S. Mail to all members at least twenty (20) days before said meeting, which shall inform all members of their right to nominate, the methods of doing so, the date, time, and place of the nominating meeting and all other information necessary to fully inform each member of the elective process.

Section 2: Elections

An election shall be held every three (3) years to elect a Board of Directors, who shall hold office during their term and until their successors are elected. Immediately after the election, the newly elected Board of Directors shall, by majority vote elect one of the newly elected Directors, from those nominated and seconded, as President for a three (3) year term coinciding with the end of the next election. Eligibility of candidates for the office of President shall be limited to Directors who are elected or appointed to the Board of Directors under the Owner or Owner/Trainer designation and who meet all eligibility requirements of Art. IV Section 7. All newly elected Directors, including Presidential candidates, shall be eligible to cast a vote to elect a President.

Elections shall be held before the close of racing conducted in the jurisdiction of the Association.

Section 3: Candidates

The Secretary shall notify each candidate of his nomination by certified mail as soon after the nominating meeting as possible.
Within fifteen (15) days for the mailing to each candidate of notice of his nomination for office, said candidate shall complete and mail to the Secretary at the Association’s Headquarters an affidavit on a form furnished by the Association that:

(A) He/She fulfills the requirements of eligibility for office as provided in this Article;

(B) He/She has read the requirements of the Constitution and Bylaws respecting elections and candidates, agrees to be bound by them and will obey any decision of the Board of Directors in regard thereto;

(C) He/She will run for office, serve if elected, and remain eligible, as a member, to serve during the term of any office to which elected;

(D) He/She is not a member, officer, or director of rival associations of thoroughbred horsemen, and has no other relationship that involves a conflict of interest as defined in Article IV, Section 5.

A candidate for office may also mail to the Secretary at the Association’s Headquarters with his affidavit a biographical and policy statement of not more than three hundred (300) words within the same time limits required for his affidavit. The statement shall be issued as the candidate’s official statement by the Association and shall not be issued, disseminated or used by the Association other than by enclosing a copy with the ballot.

The Secretary shall maintain a list of all persons nominated, their affidavits, biographical and policy statements, and current membership list of the Association.

No activity commonly referred to as “political activity” shall be allowed after the general nominating meeting. No campaign material, other than the biographical and policy statement, shall be permitted except for oral solicitation of votes on a person-to-person basis, by telephone or not more than one mailing by a candidate. Such mailing shall contain only positive information regarding the candidate and, prior to printing, content of such mailing shall be approved by the Election Committee whose decision shall be final. All costs of such mailing shall be the responsibility of the candidate. No candidate may authorize or knowingly permit any articles, statements or pictures about him to be published which could be construed as campaign material or “political activity” after the general nominating meeting in any NEHBPA related publication. There shall be no distribution of marked sample ballots, nor any placard or banner endorsing any candidate or slate of candidates. If any political activity, electioneering or distribution of campaign material shall be engaged in on behalf of a candidate in violation of this section with the knowledge and consent of a candidate, (1) said candidate may be disqualified (a) as a candidate for office or (b) from taking office if the election has been completed; or (2) that portion of the election in which a violation occurred may be rerun.

A protest to a candidate or an election must be in writing and sent by certified mail to the Chairman of the Election Committee at the Association’s Headquarters. No protest of a candidate or an election may be postmarked after the expiration of seven (7) days following an election. Protests against the eligibility of elected Officers or Directors to continue to serve must be in writing, postmarked and mailed to the Secretary at the Association’s Headquarters within seven (7) days following the discovery of facts to prove that his protest is timely. All such protests shall be
forwarded to the American Arbitration association for hearing and decision. This hearing will be conducted in accordance with the current rules of the American Arbitration Association. The decision shall be final and binding except in point of law. Costs of such arbitration shall be borne by the party or parties whose position is not sustained in the Arbitration. All costs incurred by the Election Committee as a result of acting in behalf of the Association shall be borne by the Association. Copies of current American Arbitration Rules shall be made available for review at the association Office.

All expenses of any kind whatsoever incurred by the protesters and those persons charged with violating any election rules shall be assumed and paid personally by said persons. No expenses of any kind will be assumed or paid by the Association on behalf of any candidate for office or protestant.

An elected candidate shall take office seven (7) days after his election. The lodging of a protest of an election or a candidate shall not affect the status of a newly elected Director until a hearing has been held in accordance with this Constitution and Bylaws.

Write-in candidates are not permitted. No ballot shall provide a space for a write-in candidate.

Section 4: Manner of Voting

Voting shall be by secret ballot. All voting and election procedures shall be supervised by an independent auditor, who shall have no affiliation to the New England Horseman’s Benevolent and Protective Association or thoroughbred racing in accordance with the procedures set forth in the Constitution and Bylaws. Other procedures, not inconsistent therewith, adopted by the Board of Directors for the auditor to perform his duties with respect to the Association elections may be randomly checked by the Association’s auditor and the Election Committee.

The selection of the auditing firm to be used shall be made by the Election Committee, with the advice and consent of the Board of Directors.

Not less than thirty (30) and not more than forty-five (45) days prior to an election, the auditor shall mail in an envelope bearing the auditor’s return address, the following to the last known address of each owner, owner-trainer, and trainer who is qualified to vote:

(A) A ballot;
(B) An unmarked envelope capable of being sealed;
(C) The approved biographical and policy statement of each candidate; and
(D) A return envelope addressed to the auditor that shall have a space in the upper left-hand corner for the signature and the typed or printed name of the member and that shall have the word “Ballot” and the name of this Association appearing on its face. Said return envelope shall be sent by U. S. mail, postage paid, or shall be marked to indicate that postage will be paid by addressee.

The auditor shall use the membership roster of the Association for mailing of ballots. The Secretary shall maintain on a current basis the association’s membership roster. Prior to the mailing of ballots, the Secretary or the other duly authorized Association representative shall use
reasonable efforts to confirm the identity and address of each member. The Election Committee shall inspect the current membership roster for accuracy and send same to the auditor prior to the mailing of the ballots.

The auditor shall present or mail the same material, (ballot, etc.) to any eligible member person who requests the same in person and in writing at the auditor’s place of business on the grounds that he or she has not received it by mail, or the auditor shall mail the same material (ballot, etc.), to any member who notifies the auditor in writing, at least ten (10) days prior to the election day, that he or she has not received it by mail due to improper address or other reason. The member shall be required to sign a receipt indicating that he or she has received the material requested from the auditor.

A member may vote by (1) marking his ballot, enclosing and sealing it in the unmarked envelope, enclosing and sealing that envelope in the return envelope addressed to the auditor, making certain that his name is printed or typed in the upper left-hand corner, signing in the upper left-hand corner and personally posting the envelope, or; by (2) marking his ballot, enclosing and sealing it in the unmarked envelope, enclosing and sealing that envelope in the return envelope addressed to the auditor, making certain his name is printed or typed in the upper left-hand corner, signing it in the upper left-hand corner and personally delivering the ballot he received by mail to the auditor at specified date, time and location or locations. Such date, time and location or locations to be determined by the Election Committee. However, the location to personally deliver such ballots to the auditor shall not be an office of the NEHBPA, nor shall this manner of voting be available to the membership for longer than one day. Member presenting material must present proper identification, present only his own ballot and shall be checked off of a list of eligible voters by the auditor.

No envelope may contain more than one inner envelope and ballot. Failure to enclose a ballot in the unmarked envelope shall constitute a ground for voiding said ballot.

All ballots that are received by the auditor prior to the close of business on the day named for the election shall have the date and time of receipt noted thereon. Ballots shall be checked against the list of eligible voters in the Association and shall be counted by the auditor under the supervision of the Election Committee. After being counted, the ballots, envelopes and tally sheets shall be sealed and retained in the custody of the auditor for a period of not less than thirty (30) days or, in the event of a protest, until the final determination of the protest. In the event of duplicate voting, all ballots received from that individual shall be voided. No sealed envelope received by the auditor shall contain more than one ballot and if more than one ballot is contained therein, all ballots contained in the envelope shall be voided.

The Election Committee shall cause a notice to be placed on the ballot which indicates to each member that they shall return by mail or deliver to the auditor only their own ballot.

The Board of Directors shall have the power to authorize an election for the Association that varies from the provisions of this Constitution and Bylaws upon written request of not less than two hundred fifty (250) of its members and then only for proper cause. Any election that fails to follow the procedures authorized in this Article IV shall be subject to protest. Upon final determination by arbitration of any protest, the Board of Directors shall take action in accordance with said arbitration decision.
Section 5: Other Organizations – Conflict of Interest

No person who is or whose spouse is an officer or director of, or employed by either a Racing Association, Racing Commission, rival racing association, or other organization that presents a conflict of interest, or owner of a beneficial interest in a business operated at a racetrack shall be put on the ballot as or be a candidate for Director of the Association, provided that this prohibition may be waived by a two-thirds (2/3rds) vote of the elected members of this Association’s Board of Directors and any such waiver shall be deemed for all purposes as a finding that such waiver is in the best interest of the Association. Notwithstanding the foregoing, such a candidate may make himself eligible without first obtaining Board approval by resigning his or having his spouse resign her position with any such other association prior to the member being placed on the ballot upon providing satisfactory proof of such resignation to the Board of Directors. No person who is elected as Officer or Director may become nor may his spouse become a member of any of the organizations referred to above during the member’s term of office, except with the express consent as evidenced by a two-thirds (2/3rds) vote of the elected members of the Association’s Board of Directors. To the extent any such conflicts of interest exist and are waived by the Association’s Board of Directors, then the member affected by the conflict of interest shall not have the right nor be empowered to vote or otherwise take any action in his capacity as an Officer or Director with respect to any action or activity relating to the organization which created the conflict of interest.

The term “Racing Season” means the number of days of racing (excluding overlapping days) in the Association in a calendar year.

Section 8: Election of Vice President(s)

The Board of Directors may elect up to two Vice Presidents from among its owners or owner-trainers. The board shall designate the number of Vice Presidents and their order of precedence. In case of the resignation, inability to serve because of illness or otherwise, or death of the President, the Vice President (if there is one) or the First Vice President (if there are two) automatically becomes President for the unexpired term. This shall be the sole function of the Vice President. The Second Vice President then becomes First Vice President with the vacancy to be filled in the lowest ranking Vice Presidency by the Board. All candidates for Vice president must fulfill the requirements for eligibility to be elected and serve as President.
